Kalya Archana Bhat  
950 Meridian Avenue,  
Apt 65  
San Jose - 95126

Dear Archana,

We are pleased to offer you the position of ETL Developer with Portal Consulting Inc.  
The  
Following represents a brief summary of the terms of employment for your convenience.

**Employment:**

1. Duties: You will perform all reasonable duties expected of a ETL Develop on a full time basis.
  - As a ETL Developer you need to review, create, write, and if necessary modify computer software.
  - Need to be copied or extracted from your Businesses processes and loaded in to data warehouse so all of the information is up to date
  - Responsible for designing the data storage system for the company as well as a testing and troubleshooting it before it goes live. During the term of your employment, you will devote your full abilities to the performance of your duties, and agree to comply with all rules, regulations and procedures of the company.
2. Project Duration: 07/10/ 2015 to 09/13/2015(Possible extension)
3. Project Location: South Plainfield, NJ
4. Work Hours: Work hours will be 20 per week.
5. Reports: You will provide the Company with time sheets at specific intervals and any other work reports that are deemed necessary, including periodic summaries of your work related activities and accomplishments.
6. Upon acceptance of this offer you will be working for Portal Consulting Inc. branch based in NY and NJ location.

Welcome to Portal Consulting Inc. We look forward to a long and mutually beneficial relationship.

RAVI KUMAR GADIGE  
Human Resources Manager
